## THE UNIVERSITY OF MICHIGAN REGENTS COMMUNICATION

## **REQUEST FOR ACTION**

Subject: Regental Action Under the State of Michigan Conflict of Interest Statute

Action Requested: Authorize Execution of Investment Agreements Under the MINTS Program for Ripple Science Corporation

## Background

In December 2011, the Board of Regents approved guidelines for the MINTS ("Michigan Investment in New Technology Startup") program.

The proposed investment agreements (the "Agreements") fall under the State of Michigan Conflict of Interest Statute because the listed Interested Individual is an employee of the University, has sufficient pecuniary interest in the Agreements as partial owner of the company, and is a member of the Board of Directors. The law permits such an agreement provided it is disclosed to the executive officers and approved in advance by a 2/3 vote of the Board of Regents.

The parties to the Agreements include the University and the entity listed below. The University will receive an equity interest in the entity in return for its investment(s).

No use of University services or facilities, nor any assignment of University employees, is obligated or contemplated under the Agreements. Agreements standard for venture capital investing will be executed.

The Investment Office is seeking approval for financing agreements up to a total of \$5 million in potential investments (through one or more rounds of financing) under MINTS for the following startup:

Ripple Science Corporation, founded in 2016 and headquartered in Ann Arbor, MI, is a healthcare IT company that offers web-based software and active registry that facilitates the recruitment and management of research participants for clinical and translational studies.

**Interested Individual:** 

Nestor Lopez-Duran, Ph.D., Associate Professor

Department of Psychology

We believe state law requirements have been met with the disclosure of the interest and formal appointment arrangements with the University of Michigan.

<u>We recommend</u> that the Board of Regents authorize execution of agreements between the University of Michigan and Ripple Science Corporation, as set forth above.

submitted, egarty cutive Vice President and **Chief Financial Officer**
