Regents Communication

SUBJECT: Proposed Flint FY 2008-2009 Board Rates

ACTION REQUESTED: Approval of 2008-2009 Board Rates

BACKGROUND:

The University of Michigan-Flint will open a residence hall in August, 2008. UM-Flint developed the proposed board rate to provide a meal plan for resident students.

At the November 2007 meeting, the Regents approved the 2008-2009 housing residence hall rates. Approval of accompanying minimum board rates is now requested. The dining facility will be located near the residence hall in the University Center (UCEN) and will also be available to commuter students, faculty and staff. The proposed rate is market competitive with board rates charged on other campuses in Michigan.

Included with this Action Request is the following attachment:

- A comparison of our proposed board amount to that of other Michigan public universities (Attachment A)

Recommended Board Rate:

Board Rate \$2,600 per year/\$1,300 per semester

We request approval of the proposed 2008-2009 board rates.
