External Reviewers:

Reviewer (A):
“From the submitted materials I would say that Mike has excelled in his scholarly pursuits as an artist.
The work in his portfolio is unified body and displays the marks of a highly developed and consistently
personal style. ... In [Mr. Sevick’s] case I feel that the commissions are on equal footing with exhibitions
because of the fact that his aesthetic concerns are revealed with equal effectiveness in mural form.”

Reviewer (B):
“Professor Sevick has recorded a variety of commissioned murals of a public nature. Most notable are the
Bishop International Airport Murals and the State of Michigan Museum Library Archives. Implicit in
this record is a trust and confidence in his abilities by those providing the commissions.”
Reviewer (C):
"In Mike Sevick's paintings, I am certainly impressed with his work's messages on several levels; he has provided a subtle yet potent body of work for your consideration."

Reviewer (D):
[Mr. Sevick] "... has an excellent exhibition record with good group shows, competitions, and works in collections."

Reviewer (E):
"This [Genesys Hospital] mural seems to be the most original in concept and portrays Sevick's environmental concerns. It is quite clear as to the passion and love in this mural. This mural makes the strongest case for Professor Sevick's tenure and I would wish that one of my own colleagues would have this much giving concern for art and community."

Summary of Recommendation:
Mr. Sevick has excelled as a teacher, exhibited his art work in an increasingly important series of national and local venues, and performed valuable service for both campus and community. We therefore enthusiastically recommend that Michael C. Sevick be promoted to the rank of associate professor of art, with tenure, Department of Communication and Visual Arts, College of Arts and Sciences.
