ACTION REQUEST: Approval of Academic Calendar for 2016-2017

The attached calendar for the academic year 2016-2017 has been constructed using the established principles noted in previous communications (see attached).

Holiday Issues
There are no conflicts with religious holidays contained in this calendar. However, because Labor Day falls on September 5, final exams are scheduled through December 22.

Spring Break
Application of the University's principle of scheduling spring break in the eighth week of the winter term has resulted in the University break running into the first week in March. The break begins February 25, and classes resume on March 6, 2017.

We are in communication with the Ann Arbor Public School District, which in the past tried to schedule a winter break that coincides with the UM academic calendar. UM is unable to accommodate the vacation schedules of all of the schools attended by the children of UM faculty, staff, and students.

Number of Class Days
Fall term has 67 days; winter has 69 class days.

The proposed calendar has been vetted by faculty and administrative groups. I am writing to request your approval of the 2016-2017 academic calendar.

Respectfully submitted,

THE UNIVERSITY OF MICHIGAN
Academic Calendar Guidelines

1. Classes cannot begin before Labor Day.

2. There should be a minimum of 67 class meeting days in a regular term. An exception is made when Labor Day falls on September 7. In these years when 67 class days would push exams beyond December 23, a fall term may have 66 class meeting days. (UM academic calendars average 67-69 meeting days per term, although the accrediting body recommends 70 days.)

3. There must be a minimum of 13 class meetings for each day of the week.

4. The number of days for fall and winter terms should be as close to the same as possible.

5. There must be 6 exam days for fall and winter terms and 2 exam days for spring and summer terms.

6. There must be at least one study day before exams start, two if possible, including weekends.

7. Exams should not be scheduled on the first full day of Passover.

8. Spring commencement is scheduled over a four-day period that runs from Thursday through Sunday. Winter term exams must be over by the Friday of commencement weekend, although individual school, college, and department ceremonies can be scheduled to take place before exams are over.

9. Fall commencement must be on a Sunday. Fall commencement can be scheduled to take place before exams are over.

10. Football games are not a factor in setting the fall academic calendar.

11. There is a day off between the end of spring term and the beginning of summer term.

12. Spring term has one registration day and summer term has two registration days.

13. Spring term starts on the Monday following commencement.

14. Honors Convocation should not conflict with Easter or the first two days of Passover.

15. If the academic calendar includes two “study days” in the fall, final exams will run through December 23 every five or six years, sometimes twice in a row.

Since 2005, the Office of the Registrar has applied the following guidelines to make the academic calendar more consistent from year to year:
Fall
Term start date: First Tuesday after the first Monday in September
(ensures starting after Labor Day)
Term end date: Tuesday of the 15th week
Study days: Wednesday of the 15th week, following Saturday and Sunday
Exams: Thursday and Friday of the 15th week, Monday – Thursday of the
16th week

Exception: When the last exam day would be December 24, the last day of classes, the first
study day, and all exams are moved one day sooner so that the final exam is on Wednesday,
December 23. While some faculty and students may find this inconvenient, there is no business
rule or religious conflict to support blocking December 23 from the exam schedule.

Winter
Term start date: First Wednesday after the first Monday in January
(ensures always starting after January 2)
Term end date: Tuesday of the 15th week
Study days: Wednesday of the 15th week, following Saturday and Sunday
Exams: Thursday and Friday of the 15th week, Monday – Thursday of the
16th week
