Action Request: Approval of Academic Calendars for 2014-2015 and 2015-2016 for the University of Michigan-Dearborn

The University of Michigan-Dearborn considered the criteria outlined below when setting the academic calendars for the Dearborn campus.

- The number of class days in all terms follow calendar guidelines requiring between 65-70 class days per the 14 week semester in the fall, and an average of 68-72 class days per the 14 week semester in the winter. Fall 2014 has 68 class days and Winter 2015 has 69. Fall 2015 has 66 class days and Winter 2016 has 69.

- Classes should normally begin on the Wednesday after Labor Day unless it is necessary to start classes immediately after Labor Day in order to provide enough class days in the fall term. This practice is based on preference expressed by both faculty and students.

I request approval of the attached Academic Calendars for 2014-2015 and 2015-2016 for the University of Michigan-Dearborn campus. These schedules have been reviewed and approved by the appropriate faculty and administrative groups and meets the established criteria.

Respectfully submitted:

Daniel Little, Chancellor
University of Michigan-Dearborn

June 2013
