Central Student Government - Financial Report
Calendar Year 2015

The annual financial report for December 31, 2015 reflects the value that Central Student Government (CSG) derived from the Board of Regents' approved Student Fee Increase, which took effect in Fall 2014. This increase ultimately provided CSG with \$80,000 more of student fee revenue for the 2015 calendar year. In turn, CSG was able to distribute \$50,000 more than last year, and \$427,000 in total, to 230 wonderful and diverse campus student organizations. Two of the many supported organizations include: Michigan Manzil, a nationally recognized, competitive Bollywood dance team and TEDxUofM, which brings together academic, community, and student leaders from the University of Michigan and greater Ann Arbor area to discuss pressing local, national, and global issues. Thank you for approving the Student Fee increase. Its positive results are evident, and your generous support allowed CSG to better fuel the ambition and innovative spirit of our University's student leaders.

With money from the new Student Fee, CSG also increased the funds it allocated to other University of Michigan departments by \$21,000 to better sponsor and support their initiatives, which included adding sanitation wipes and dispensers in the Central Campus Recreation Building (CCRB), expanding electrical improvements in some campus libraries, piloting Michigan Dining's "Fall Gameday Early Breakfast" initiative, and advancing the Office of Sustainability's water bottle refilling station program. Another noteworthy change during this past calendar year is Travel, Hosting, and Transportation, in which CSG saw a \$58,000 reduction in its expenses. This was primarily due to the presence of outside support and funding for the Night Owl bus service, which, in the previous calendar year, CSG had at least partially funded.

In the year ahead, CSG will continue to engage with, and encourage the efforts and initiatives, of student organizations and outside UM Departments through the funding process. To reaffirm our commitment to student safety, for example, we plan to continue to fund Michigan Dining's "Fall Gameday Early Breakfast" program. We also believe in the importance of expanding CSG's campus network and visible connection with the entire student body, which can be done through a greater focus on programming. In the coming academic year, we are looking into hosting more CSG-run events, including an alcohol-free tailgate during the football season, open Q&A and Town Hall-type forums throughout the year, and a Bicentennial-themed panel in the Winter 2017 Semester, among other events.
