

*Regents Communication***ACTION REQUEST****Subject: Report of Faculty Retirement****Action Requested: Adoption of Retirement Memoir**

Ujjaini Khanderia, Pharm.D., clinical associate professor of pharmacy in the College of Pharmacy, and clinical pharmacist, UMH Pharmacy Services, will retire from active faculty status on July 31, 2012.

Professor Khanderia received her B.S. and Pharm.D. degrees from the University of Michigan in 1980 and 1982, respectively. She joined the University of Michigan faculty as a clinical instructor and clinical pharmacist in 1982, and was promoted to clinical assistant professor in 1985, and clinical associate professor in 2006.

Early in her career, Professor Khanderia established herself as a committed and well-received teacher in the graduate professional program. She taught didactic courses both in pharmacy and nursing and precepted seminar students in the doctoral program. She has played an instrumental role in curriculum development and has successfully incorporated innovative teaching models into her instruction. Within the University of Michigan Hospitals and Health Centers' Department of Pharmacy Services, her direct patient care responsibilities included adult internal medicine, endocrinology, and most recently, the cardiac surgery service. Her clinical activities formed the basis for scholarly pursuits, quality improvement initiatives, and the development and implementation of guidelines to promote the most appropriate and cost-effective drug therapy in surgical patients. Professor Khanderia has given numerous professional presentations and has published extensively in national and international journals. Her significant contributions to clinical pharmacy and patient care have received regional and national recognition from pharmacy and medical professionals.

The Regents now salute this outstanding pharmacy clinician and educator for her dedicated service by naming **Ujjaini Khanderia clinical associate professor emerita of pharmacy**.
