

**THE UNIVERSITY OF MICHIGAN
REGENTS COMMUNICATION**

ACTION REQUEST

Subject: Regental Action Required Under the State of
Michigan Conflict of Interest Statute

Action Requested: Authorization for the University to purchase from Janice McCoy (University of
Michigan Employee, Janice McCoy, Creator)

Background:

The University of Michigan Flint Honors Program seeks approval to purchase a painting from Janice McCoy for the Honors Program conference room. The Honors Program suite was built in November 2013 and each year they have added some artwork to the empty walls.

The proposed agreement falls under the State of Michigan Conflict of Interest Statute as Janice McCoy is a University temporary employee as Tutor I with the Flint Student Success Center and would be party to the contract as the creator of the product.

However, the Statute allows the University to enter into such agreements if the following conditions are met:

- a) The public servant promptly discloses any pecuniary interest in the contract to the official body which has power to approve the purchase, which disclosure shall be a matter of record in its official proceedings.
- b) The purchase is approved by a vote of not less than 2/3 of the full membership of the approving body in open session without the vote of the public servant making the disclosure.
- c) The official body discloses the following summary information in its official minutes:
 - i) The name of each party involved in the contract.
 - ii) The terms of the purchase, including duration, financial consideration between the parties, facilities or services of the public entity included in the purchase, and the nature and degree of assignment of employees of the public entity for fulfillment of the purchase.
 - iii) The nature of any pecuniary interest.

The following information is provided in compliance with the statutory requirements contained in Section (c) above:

- i) The parties to the contract are the Regents of the University of Michigan and its Flint Honors Program, and Janice McCoy.
- ii) The agreement is for a one-time purchase of a painting for the Honors Program conference room at a total cost of \$250. Janice McCoy will be supplying all the necessary resources and personnel to fulfill this contract. The remaining base contract terms and conditions are typical to those used in Procurement Services standard templates for other similar contracts entered into by the Regents.
- iii) The pecuniary interest arises from the fact that University of Michigan employee, Janice McCoy, is the creator.

Janice McCoy has met state law requirements with the disclosure of her pecuniary interest and formal appointment arrangements with the University of Michigan. Requirements, if any, that may be applicable by the supervisor of Janice McCoy under the Medical School's or OVPR's Conflict of Interest Committee's procedures are separately analyzed and managed.

We recommend that the Board of Regents approve the agreement between the University of Michigan and Janice McCoy subject to requirements, if any, that the supervisor of Janice McCoy or the Medical School's or OVPR's Conflict of Interest Committee may impose.

Respectfully submitted,
