ACTION REQUEST

Subject: Report of Faculty Retirement

Action Requested: Adoption of Retirement Memoir

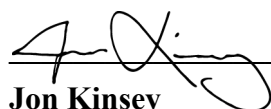

Karin M. Muraszko, M.D., professor of neurosurgery, professor of pediatrics, and professor of surgery in the Medical School, retired from active faculty status on February 15, 2026.

Professor Muraszko received her M.D. from Columbia University College of Physicians & Surgeons in 1981. She joined the University of Michigan faculty in 1990 as an assistant professor of surgery, and she received an additional appointment to the Department of Pediatrics in 1991. She was promoted to associate professor of surgery with tenure in 1996 and associate professor of pediatrics without tenure in 1999, her faculty appointment and tenure were transferred from the Department of Surgery to the Department of Neurosurgery in 2001, she was granted an additional appointment as associate professor of surgery, without tenure in 2003, and promoted to professor of neurosurgery with tenure, professor of surgery without tenure and professor of pediatrics without tenure in 2004.

Dr. Muraszko has extensive experience in pediatric brain and central nervous system tumors, spina bifida, craniofacial anomalies, and congenital brain and spinal cord anomalies. She has received multiple grants and was co-investigator on multiple RO1 grants. She has over 170 peer-reviewed journal articles. Dr. Muraszko received multiple national, regional, and institutional awards. Dr. Muraszko has served on numerous international, national, and institutional committees. She serves on three editorial board committees and is an ad hoc abstract reviewer on five impactful neurosurgical journals.

The Regents now salute this distinguished faculty member by naming **Karin M. Muraszko, professor emerita of neurosurgery and professor emerita of pediatrics.**

Requested by:

Jon Kinsey

Vice President and Secretary of the University
