Action Requested: Authorization for the University to enter into an agreement with H3D, Inc. (University of Michigan Employees Gianluigi De Geronimo, Zhong He, Yuefeng Zhu, Stockholders).

Background:

The University of Michigan Business Engagement Center seeks approval to enter into an agreement with H3D, Inc. for funding summer internships.

The proposed agreement falls under the State of Michigan Conflict of Interest Statute as Gianluigi De Geronimo, Adjunct Research Scientist, Zhong He, Professor, and Yuefeng Zhu, Assistant Research Scientist are University employees each with the Department of Nuclear Engineering Radiological Sciences and would be party to the agreement as Stockholders of H3D, Inc.

However, the Statute allows the University to enter into such agreements if the following conditions are met:

- a) The public servant promptly discloses any pecuniary interest in the contract to the official body which has power to approve the purchase, which disclosure shall be a matter of record in its official proceedings.
- b) The purchase is approved by a vote of not less than 2/3 of the full membership of the approving body in open session without the vote of the public servant making the disclosure.
- c) The official body discloses the following summary information in its official minutes:
 - i) The name of each party involved in the contract.
 - ii) The terms of the purchase, including duration, financial consideration between the parties, facilities or services of the public entity included in the purchase, and the nature and degree of assignment of employees of the public entity for fulfillment of the purchase.
 - iii) The nature of any pecuniary interest.

The following information is provided in compliance with the statutory requirements contained in Section (c) above:

- i) The parties to the contract are the Regents of the University of Michigan and its Business Engagement Center and H3D, Inc.
- ii) The agreement is for a duration of three months at a total cost not to exceed \$3,500. H3D, Inc. will be supplying all the necessary resources and personnel to fulfill this contract. The remaining base contract terms and conditions are typical to those used in Procurement Services standard templates for other similar contracts entered into by the Regents.
- iii) The pecuniary interest arises from the fact that University of Michigan employees Gianluigi De Geronimo, Zhong He and Yufeng Zhu are Stockholders of H3D, Inc.

Gianluigi De Geronimo, Zhong He and Yufeng Zhu have met state law requirements with the disclosure of their pecuniary interest and formal appointment arrangements with the University of Michigan. Requirements, if any, that may be applicable by the supervisor of Gianluigi De Geronimo, Zhong He and Yufeng Zhu, under the Medical School's or OVPR's Conflict of Interest Committee's procedures are separately analyzed and managed.

We recommend that the Board of Regents approve the agreement between the University of Michigan and H3D, Inc. subject to requirements, if any, that the supervisor of Gianluigi De Geronimo, Zhong He and Yufeng Zhu or the Medical School's or OVPR's Conflict of Interest Committee may impose.

Respectfully submitted,
