ITEM FOR INFORMATION

Subject: Monthly Investment Report

Background and Summary:

Attached is the Monthly Investment Report for the Long Term Portfolio as of March 31, 2020.

- Page 1 summarizes the assets as of March 31, 2020. Allocations to Alternative Assets (Illiquid) reflect preliminary market values as of December 31, 2019, the most recent date available, adjusted for contributions and distributions through March. This timing lag in valuations likely overstates the current value of investments in Alternative Assets (Illiquid) following the market decline during the March quarter.
- Page 2 reports the performance of Marketable Securities by asset class for select periods ending March 31, 2020.
- Page 3 reports the performance for the entire portfolio by asset class as of December 31, 2019. The investment performance of Alternative Assets is reported with this one quarter lag in order to gather the requisite information from the limited partnerships.
- Page 4 summarizes the assets as of December 31, 2019.
