The University of Michigan Literature, Science, and the Arts Department of Psychology seeks approval to enter into an agreement with Ripple Science Corporation for software to track research projects and participants.

The proposed agreement falls under the State of Michigan Conflict of Interest Statute as Nestor L. Lopez-Duran is a University employee as an Associate Professor with the Department of Psychology and would be party to the contract as director and stockholder of Ripple Science Corporation.

However, the Statute allows the University to enter into such agreements if the following conditions are met:

- a) The public servant promptly discloses any pecuniary interest in the contract to the official body which has power to approve the purchase, which disclosure shall be a matter of record in its official proceedings.
- b) The purchase is approved by a vote of not less than 2/3 of the full membership of the approving body in open session without the vote of the public servant making the disclosure.
- c) The official body discloses the following summary information in its official minutes:
 - i) The name of each party involved in the contract.
 - ii) The terms of the purchase, including duration, financial consideration between the parties, facilities or services of the public entity included in the purchase, and the nature and degree of assignment of employees of the public entity for fulfillment of the purchase.

Nestor L. Lopez-Duran has met state law requirements with the disclosure of his pecuniary interest and formal appointment arrangements with the University of Michigan. Requirements, if any, that may be applicable by the supervisor of Nestor L. Lopez-Duran, under the Medical School's or OVPR's Conflict of Interest Committee's procedures are separately analyzed and managed.

We recommend that the Board of Regents approve the agreement between the University of Michigan and Ripple Science Corporation subject to requirements, if any, that the supervisor of Nestor L. Lopez-Duran or the Medical School's or OVPR's Conflict of Interest Committee may impose.
