

**THE UNIVERSITY OF MICHIGAN  
REGENTS COMMUNICATION**

ACTION REQUEST

Subject: Regental Action Required Under the State of  
Michigan Conflict of Interest Statute

Action Requested: Authorization for the University to transact with Aurily, LLC, (University of  
Michigan Employee, Robin Goldberg, Owner)

Background:

The University of Michigan Residential College at the College of Literature, Science, and the Arts seeks approval to transact with Aurily, LLC ("Aurily"). Aurily will provide two wellness workshops with handouts for faculty and staff.

The proposed agreement falls under the State of Michigan Conflict of Interest Statute as Robin Goldberg is a University employee as Temporary Grader II with the Cambridge Michigan Language Assessments and would be party to the contract as Owner of Aurily.

However, the Statute allows the University to enter into such agreements if the following conditions are met:

- a) The public servant promptly discloses any pecuniary interest in the contract to the official body which has power to approve the purchase, which disclosure shall be a matter of record in its official proceedings.
- b) The purchase is approved by a vote of not less than 2/3 of the full membership of the approving body in open session without the vote of the public servant making the disclosure.
- c) The official body discloses the following summary information in its official minutes:
  - i) The name of each party involved in the contract.
  - ii) The terms of the purchase, including duration, financial consideration between the parties, facilities or services of the public entity included in the purchase, and the nature and degree of assignment of employees of the public entity for fulfillment of the purchase.
  - iii) The nature of any pecuniary interest.

The following information is provided in compliance with the statutory requirements contained in Section (c) above:

- i) The parties to the contract are the Regents of the University of Michigan and its Residential College at the College of Literature, Science, and the Arts, and Aurily.
- ii) The agreement is to provide two wellness workshops for faculty and staff at a total cost of \$200. Aurily will be supplying all the necessary resources and personnel to fulfill this contract. The remaining base contract terms and conditions are typical to those used in Procurement Services standard templates for other similar contracts entered into by the Regents.
- iii) The pecuniary interest arises from the fact that University of Michigan employee, Robin Goldberg, is the Owner of Aurily.

Robin Goldberg has met state law requirements with the disclosure of her pecuniary interest and formal appointment arrangements with the University of Michigan. Requirements, if any, that may be applicable by the supervisor of Robin Goldberg under the Medical School's or OVPR's Conflict of Interest Committee's procedures are separately analyzed and managed.

We recommend that the Board of Regents approve the agreement between the University of Michigan and Aurily subject to requirements, if any, that the supervisor of Robin Goldberg or the Medical School's or OVPR's Conflict of Interest Committee may impose.

Respectfully submitted,

Kevin P. Hegarty  
Executive Vice President  
and Chief Financial Officer
