

THE UNIVERSITY OF MICHIGAN  
REGENTS COMMUNICATION

ACTION REQUEST: Approval of Academic Calendars for 2022-2023 for the  
University of Michigan-Dearborn campus

The University of Michigan-Dearborn considered the criteria outlined below when setting academic calendars for the Dearborn Campus.

- In ensuring that the University adheres to the Federal definition of a credit hour along with minimum standards for providing direct faculty instruction to students, it is a policy of the Dearborn campus to provide between 65-70 class days during the Fall term and between 68-72 class days during the Winter term. For the Fall 2022 term, there are 70 class days. For the Winter 2023 term, there are 69 class days. For the Summer 2023 term, there are 67 class days (Session I, 33 class days; Session II; 34 class days).
- The calendar is modeled after Ann Arbor's version, with some slight modifications to meet the unique needs of UM-Dearborn's students and faculty.

I request approval of the attached Academic Calendar for 2022-2023 for the University of Michigan-Dearborn campus. This schedule has been reviewed and approved by the appropriate faculty and administrative groups and meets the established campus criteria for developing the academic calendar.

Respectfully submitted:
