ACTION REQUEST

Subject: Report of Faculty Retirement

Action Requested: Adoption of Retirement Memoir

John R. C. Crump, M.D., clinical assistant professor of internal medicine in the Medical School, retired from active faculty status on September 5, 2025.

Dr. Crump received his B.S. in 1980 and M.D. in 1984 from the University of Alberta, Edmonton, Alberta. He completed his postgraduate training in internal medicine at the St. Thomas Medical Center, Akron, Ohio in 1988. He then completed a fellowship in infectious diseases at the University of Michigan in 1992. He joined the University of Michigan faculty as a clinical instructor in 1995 and was promoted to clinical assistant professor in 2001.

As an outpatient clinician, Dr. Crump has delivered comprehensive care to a large panel of general internal medicine patients, some of whom he has served for over 30 years. He has actively participated in our clinical and educational programs, positively impacting our operations. Dr. Crump has supervised internal medicine residents at their continuity clinics and during their ambulatory care rotations at the Saline Health Center. He also teaches medical students during their internal medicine clerkship at the Saline Health Center and precepts nurse practitioner students during their clinical rotations, with each student spending two semesters under his guidance. He has held an administrative role at Michigan Medicine and was instrumental in opening the Saline Health Center in 1996, serving as its medical director until 2017. He returned to the position of medical director in 2020 and will continue until his retirement in the summer of 2025.

The Regents now salute this distinguished faculty member by naming **John R. C. Crump, clinical assistant professor emeritus of internal medicine.**
