Request for Action

Action Requested: Approval of Academic Calendar for 2027-2028 for the University of Michigan-Flint

The attached 2027-28 academic calendar for the University of Michigan-Flint follows the model used in previous years. The calendar includes a pre-Labor Day start, August 23. It also includes a fall break, October 18-19, and no classes on the day before Thanksgiving. Classes will end on December 3 and exams will end on December 11. The winter term will start on January 12, 2028. The following criteria were considered when setting the 2027-28 academic calendar:

- There are no conflicts with religious holidays contained in this calendar.
- Fall term has 69 instruction days; winter term has 67 instruction days.
- Application of the university's principle of scheduling spring break in the eighth week of the winter terms has resulted in the break falling in the first full week of March. The break begins on Monday, March 6, and classes resume on Monday, March 13.

This proposed calendar has been reviewed and approved by the appropriate faculty and administrative groups and meets the established campus criteria. I request the approval of the 2027-28 academic calendar for the University of Michigan-Flint.

Respectfully submitted,

Laurence B. Alexander
Chancellor, University of Michigan-Flint
