## Request for Action

### Action Requested: Approval of Academic Calendar for 2028-2029 for the University of Michigan-Flint

The attached 2028-29 academic calendar for the University of Michigan-Flint follows the model used in previous years. The calendar includes a pre-Labor Day start, August 28. It also includes a fall break, October 16-17, and no classes on the day before Thanksgiving. Classes will end on December 8 and exams will end on December 16. The winter term will start on January 10, 2028. The following criteria were considered when setting the 2028-29 academic calendar:

- There are no conflicts with religious holidays contained in this calendar.
- Fall term has 69 instruction days; winter term has 67 instruction days.
- Application of the university's principle of scheduling spring break in the eighth week of the winter terms has resulted in the break falling in the first full week of March. The break begins on Monday, March 5, and classes resume on Monday, March 12.

This proposed calendar has been reviewed and approved by the appropriate faculty and administrative groups and meets the established campus criteria. I request the approval of the 2028-29 academic calendar for the University of Michigan-Flint.

Respectfully submitted,

**Laurence B. Alexander**  
Chancellor, University of Michigan-Flint
