

THE UNIVERSITY OF MICHIGAN
REGENTS COMMUNICATION

ACTION REQUEST: Approval of Academic Calendars for 2024-2025 for the
University of Michigan-Dearborn campus

The University of Michigan-Dearborn considered the criteria outlined below when setting academic calendars for the Dearborn Campus.

- In ensuring that the University adheres to the Federal definition of a credit hour along with minimum standards for providing direct faculty instruction to students, it is the policy of the Dearborn campus to provide between 65-70 class days during the Fall term and between 68-72 class days during the Winter term. For the Fall 2024 term, there are 69 class days. For the Winter 2025 term, there are 69 class days. For the Summer 2025 term, there are 67 class days (Session I, 33 class days; Session II; 34 class days).
- The calendar is modeled after Ann Arbor's version, with some slight modifications to meet the unique needs of UM-Dearborn's students and faculty.

I request approval of the attached Academic Calendar for 2024-2025 for the University of Michigan-Dearborn campus. This schedule has been reviewed and approved by the appropriate faculty and administrative groups and meets the established campus criteria for developing the academic calendar.

Respectfully submitted:

Domenico Grasso
