- a. The Fund was created in FY11 to provide a source for major general fund building renovations. When fully implemented, the recurring funding amount will total \$45 million. This level of funding is expected to be adequate to fund one major renovation every other year. Decisions to spend from the fund will be made by the President upon recommendation by the Provost and EVPCFO.
- b. The recurring funding for capital renewal comes from two sources: an additional facilities charge per net assignable square foot, and incremental tuition revenue resulting from a shift in the residency ratio for undergraduate enrollment.
