

THE UNIVERSITY OF MICHIGAN
REGENTS COMMUNICATION

ACTION REQUEST

Subject: Regental Action Required Under the State of
Michigan Conflict of Interest Statute

Action Requested: Authorization for the University to purchase from Ann Arbor Clarinet
Connections (University of Michigan Employee, James William King, Owner)

Background:

The University of Michigan Conducting and Large Ensembles Department at the School of Music, Theatre, and Dance seeks approval to purchase from Ann Arbor Clarinet Connection ("AA Clarinet") two Bass Clarinets and two EB Clarinets manufactured by Buffet Crampon Company. These instruments are to be available as a resource for students to use in Large Ensembles and Chamber Music Ensembles as repertoire requires.

The proposed agreement falls under the State of Michigan Conflict of Interest Statute as James William King is a University employee as a Lecturer II in the School of Music, Theatre, and Dance and would be party to the agreement as Owner of AA Clarinet.

However, the Statute allows the University to enter into such agreements if the following conditions are met:

- a) The public servant promptly discloses any pecuniary interest in the contract to the official body which has power to approve the purchase, which disclosure shall be a matter of record in its official proceedings.
- b) The purchase is approved by a vote of not less than 2/3 of the full membership of the approving body in open session without the vote of the public servant making the disclosure.
- c) The official body discloses the following summary information in its official minutes:
 - i) The name of each party involved in the contract.
 - ii) The terms of the purchase, including duration, financial consideration between the parties, facilities or services of the public entity included in the purchase, and the nature and degree of assignment of employees of the public entity for fulfillment of the purchase.
 - iii) The nature of any pecuniary interest.

The following information is provided in compliance with the statutory requirements contained in Section (c) above:

- i) The parties to the contract are the Regents of the University of Michigan and its School of Music, Theatre, and Dance and AA Clarinet.
- ii) The agreement is for the purchase of two Bass Clarinets and two EB Clarinets for a total cost of \$26,000. AA Clarinet will be supplying all the necessary resources and personnel to fulfill this contract. The remaining base contract terms and conditions are typical to those used in Procurement Services standard templates for other similar contracts entered into by the Regents.
- iii) The pecuniary interest arises from the fact that University of Michigan employee, James William King, would be party to the agreement as Owner of AA Clarinet.

James William King has met state law requirements with the disclosure of his pecuniary interest and formal appointment arrangements with the University of Michigan. Requirements, if any, that may be applicable by the supervisor of James William King under the Medical School's or OVPR's Conflict of Interest Committee's procedures are separately analyzed and managed.

We recommend that the Board of Regents approve the agreement between the University of Michigan and AA Clarinet subject to requirements, if any, that the supervisor of James William King or the Medical School's or OVPR's Conflict of Interest Committee may impose.

Respectfully submitted,

Kevin F. Hegarty
