

THE UNIVERSITY OF MICHIGAN  
REGENTS COMMUNICATION

ACTION REQUEST: Approval of revisions to the Academic Calendar for the 2022-2023 academic year for the University of Michigan-Dearborn campus

The University of Michigan-Dearborn requests approval of the attached Academic Calendar for the 2022-2023 academic year for the University of Michigan-Dearborn Campus.

The requested change for the 2022-2023 Academic Calendar moves the end of term date for Fall 2022 classes to December 9 and the final examinations end date to December 16, in order to allow exams to be completed before Commencement. The Winter and Summer semesters were also adjusted to move the winter term start date from January 9 to January 5 and the end of term date from April 28 to April 26; and the summer term final exam dates were reduced from 5 to 4 in order to increase the interval days between semesters to provide additional time to perform critical end-of-term processing.

I request approval of the attached revisions to the Academic Calendar for 2022-2023 for the University of Michigan-Dearborn campus. The calendar has been reviewed and approved by the appropriate faculty and administrative groups.

Respectfully submitted:
