**ACTION REQUEST:** Approval of Academic Calendar for 2024-2025 for the University of Michigan-Flint

The attached 2024-25 academic calendar for the University of Michigan-Flint follows the model used in previous years. The calendar includes a pre-Labor Day start, August 28. It also includes a fall break, October 21-22, and no classes on the day before Thanksgiving. Classes will end on December 10 and exams will end on December 18. The winter term will start on January 8, 2025. The following criteria were considered when setting the 2024-25 academic calendar:

- There are no conflicts with religious holidays contained in this calendar.
- Fall term has 69 instruction days; winter term has 69 instruction days.
- Application of the university's principle of scheduling spring break in the eighth week of the winter terms has resulted in the break falling in the first week of March. The break begins on Saturday, March 1, and classes resume on Monday, March 10.

This proposed calendar has been reviewed and approved by the appropriate faculty and administrative groups and meets the established campus criteria. I request the approval of the 2024-25 academic calendar for the University of Michigan-Flint.

Respectfully submitted,

---

University of Michigan-Flint
