

U-M RESEARCH AWARD AND EXPENDITURES REPORT
OCTOBER 2023

**Received by the Regents
October 19, 2023**

This report summarizes the overall trends in grant and contract activity across all three campuses of the University of Michigan through the second month of Fiscal Year 2024, which ended August 31.

Total research expenditures through the second month of FY24 totaled \$362 million, which is up 10.9 percent when compared to August 2022.

The number of research submissions through the second month of FY24 was down 2.2 percent, but the value of those submissions increased 15 percent when compared to August 2022.

The number of new research awards from external sponsors through the second month of FY24 decreased 15.9 percent, and their value decreased 11.3 percent when compared to August 2022.
