

**THE UNIVERSITY OF MICHIGAN
REGENTS COMMUNICATION**

ACTION REQUEST

Subject: Regental Action Required Under the State of Michigan Conflict of Interest Statute

Action Requested: Authorization for the University to extend a contract with Ganesh Designs, LLC (University of Michigan Employee Michael Rose, owner).

Background:

The University of Michigan Department of Anesthesiology seeks approval to extend a contract with Ganesh Designs, LLC for branding expertise and graphic and web design services.

The proposed contract falls under the State of Michigan Conflict of Interest Statute as Michael Rose is employed by the University as a Principal Designer with Internal Medicine-Nephrology and would be party to the contract as owner of Ganesh Designs, LLC.

However, the Statute allows the university to enter into such contracts if the following conditions are met:

- a) The public servant promptly discloses any pecuniary interest in the contract to the official body which has power to approve the purchase, which disclosure shall be a matter of record in its official proceedings.
- b) The purchase is approved by a vote of not less than 2/3 of the full membership of the approving body in open session without the vote of the public servant making the disclosure.
- c) The official body discloses the following summary information in its official minutes:
 - i) The name of each party involved in the contract.
 - ii) The terms of the purchase, including duration, financial consideration between the parties, facilities or services of the public entity included in the purchase, and the nature and degree of assignment of employees of the public entity for fulfillment of the purchase.
 - iii) The nature of any pecuniary interest.

The following information is provided in compliance with the statutory requirements contained in Section (c) above:

- i) The parties to the contract are the Regents of the University of Michigan and its Department of Anesthesiology and Ganesh Designs, LLC.
- ii) The contract is for branding expertise and graphic and web design services for an extension of two years, through August 31, 2027 at a total cost not to exceed \$19,600. Ganesh Designs, LLC will be supplying all the necessary resources and personnel to fulfill this contract. The remaining base contract terms and conditions are typical to those used in Procurement Services standard templates for other similar contracts entered into by the Regents.
- iii) The pecuniary interest arises from the fact that University of Michigan employee, Michael Rose, is the owner of Ganesh Designs, LLC.

Michael Rose has met state law requirements with the disclosure of his pecuniary interest and formal appointment arrangements with the University of Michigan. Requirements, if any, that may be applicable by the supervisor of Michael Rose under the Department of Anesthesiology or OVPR's Conflict of Interest Committee's procedures are separately analyzed and managed.

We recommend that the Board of Regents approve the contract between the University of Michigan and Ganesh Designs, LLC subject to requirements, if any, that the supervisor of Michael Rose or the Department of Anesthesiology or OVPR's Conflict of Interest Committee may impose.

Respectfully submitted,

Geoffrey S. Chatas
Executive Vice President and Chief Financial Officer
