REGENTS COMMUNICATION

REQUEST FOR ACTION

Subject: Naming Central Campus Residential Development (CCRD)
Phases 1 and 2

Action
Requested: Approval of the name Wolverine Village

Effective date: November 20, 2025

Background:

Central Campus Residential Development Phase 1 is scheduled to be completed and ready for students to move in for the fall semester of 2026. This necessitates a formal name for signage and housing assignments.

The Student Life Naming Subcommittee generated names for consideration and shared them with the Residential Hall Association, Residential Education, and student residents. The consensus was that the CCRD be named *Wolverine Village*.

Each building in CCRD Phase 1 will be numbered from Building 1 to Building 5. Building 5, previously approved by the Board of Regents to be named Dr. E. Royster Harper Hall, will continue to be formally known by that name. CCRD Phase 2 buildings will begin with Building 6. The Facilities Naming Steering Committee requires that the Board of Regents approve namings of all buildings and other major free-standing facilities.

Therefore, I recommend that the Board of Regents approve naming CCRD Phases 1 and 2 *Wolverine Village*, effective immediately.

Respectfully submitted,
