THE UNIVERSITY OF MICHIGAN
REGENTS COMMUNICATION

ACTION REQUEST: Approval of a Professional Administrative Appointment

NAME: Brian T. Lally

RECOMMENDED TITLE: Associate Vice President for Medical Development and Alumni Relations, University of Michigan Health System

EFFECTIVE DATE: January 16, 2012

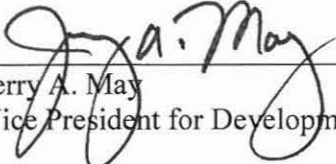

I am pleased to recommend the appointment of Brian T. Lally as associate vice president for medical development and alumni relations, University of Michigan Health System, effective January 16, 2012.

As associate vice president for medical development and alumni relations, UMHS, Mr. Lally will be the chief advancement officer for the Health System. He will hold executive responsibility for the planning, implementation, and management of all development and alumni relations programs for the Health System and all of its components. The associate vice president for medical development and alumni relations reports jointly to the executive vice president for medical affairs and the vice president for development.

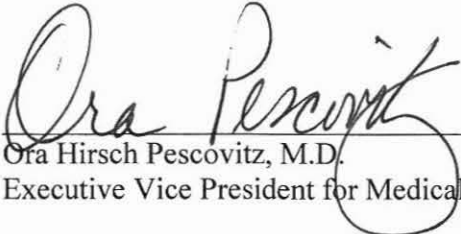

Mr. Lally earned his B.A. degree in communications from Queens College and his M.B.A. from St. John's University. Earlier in his career, he spent eighteen years with Memorial Sloan-Kettering Cancer Center in a variety of professional development roles including director of development for individual gifts, director of development administration, senior director for special projects and manager for development services. For the past eleven years, he has been at Dartmouth-Hitchcock Medical Center and Dartmouth Medical School. For ten of those years, he was the vice president for development and alumni relations and led the institutions' first comprehensive campaign to raise \$256 million, four times greater than the previous campaign. He also developed successful programs for grateful patients and volunteer engagement and reinvigorated the annual giving programs. Since 2011, he has been the chief advancement officer for Dartmouth focusing on the intersection of development, alumni relations, communications and marketing as well as serving as senior principal gift officer.

It is a pleasure to recommend the appointment of Brian T. Lally as associate vice president for medical development and alumni relations, University of Michigan Health System, effective January 16, 2012.

RECOMMENDED BY:

Jerry A. May
Vice President for Development

Ora Hirsch Pescovitz, M.D.
Executive Vice President for Medical Affairs
