

THE UNIVERSITY OF MICHIGAN  
REGENTS COMMUNICATION

REQUEST FOR ACTION

**Subject:** Regental Action Under the State of Michigan Conflict of Interest Statute

**Action Requested:** Authorize Execution of Investment Agreements Under the MINTS Program for Invenio Imaging, Inc.

**Background**

In December 2011, the Board of Regents approved guidelines for the MINTS ("Michigan Investment in New Technology Startup") program.

The proposed investment agreements (the "Agreements") fall under the State of Michigan Conflict of Interest Statute because the listed Interested Individual is both an employee of the University and has a sufficient pecuniary interest in the Agreements as partial owner of the company. The law permits such an agreement provided it is disclosed to the executive officers and approved in advance by a 2/3 vote of the Board of Regents.

The parties to the Agreements include the University and the entity listed below. The University will receive an equity interest in the entity in return for its investment(s).

No use of University services or facilities, nor any assignment of University employees, is obligated or contemplated under the Agreements.

Under MINTS, the University must co-invest in a financing round together with at least one Qualifying Venture Capital Investment Firm. Agreements standard for venture capital investing will be executed.

The Investment Office is seeking approval for financing agreements up to a total of \$2.5 million in potential investments (through one or more rounds of financing) under MINTS for the following startup:

- **Invenio Imaging, Inc.**, founded in 2012 and headquartered in Menlo Park, CA, is a company in the field of instrumentation dedicated to developing a fast, reliable, simple-to-use technology for non-destructive microscopic analysis of the molecular make-up of tissues and other materials.

**Interested Individual:**

Daniel A. Orringer, M.D.

Medical School: Assistant Professor, Neurological Surgery

We believe state law requirements have been met with the disclosure of the pecuniary interest and formal appointment arrangements with the University of Michigan.

**We recommend** that the Board of Regents authorize execution of agreements between the University of Michigan and for Invenio Imaging, Inc., as set forth above.

Respectfully submitted,

Kevin P. Hegarty  
Executive Vice President and  
Chief Financial Officer
