

**THE UNIVERSITY OF MICHIGAN
REGENTS COMMUNICATION**

ACTION REQUEST

Subject: Regental Action Required Under the State of Michigan Conflict of Interest Statute

Action Requested: Authorization for the university to enter into an contract with SVS-UMCHGN-1 dba ViewPoint (University of Michigan Employee, Elisabeth R. Gerber, Stockholder, and Director).

Background:

The University of Michigan Gerald R. Ford School of Public Policy seeks approval to enter into an contract with SVS-UMCHGN-1 dba ViewPoint for training and subscription services.

The proposed contract falls under the State of Michigan Conflict of Interest Statute as Elisabeth R. Gerber is a University employee as a Professor with the Gerald R. Ford School of Public Policy and would be party to the contract as a stockholder and director of ViewPoint.

However, the Statute allows the University to enter into such contracts if the following conditions are met:

- a) The public servant promptly discloses any pecuniary interest in the contract to the official body which has power to approve the purchase, which disclosure shall be a matter of record in its official proceedings.
- b) The purchase is approved by a vote of not less than 2/3 of the full membership of the approving body in open session without the vote of the public servant making the disclosure.
- c) The official body discloses the following summary information in its official minutes:
 - i) The name of each party involved in the contract.
 - ii) The terms of the purchase, including duration, financial consideration between the parties, facilities or services of the public entity included in the purchase, and the nature and degree of assignment of employees of the public entity for fulfillment of the purchase.
 - iii) The nature of any pecuniary interest.

The following information is provided in compliance with the statutory requirements contained in Section (c) above:

- i) The parties to the contract are the Regents of the University of Michigan and its Gerald R. Ford School of Public Policy and ViewPoint.
- ii) The contract is for training and subscription services for the duration of three years at a cost of \$18,840. ViewPoint will supply all the necessary resources and personnel to fulfill this contract. The remaining base contract terms and conditions are typical of those used in Procurement Services standard templates for other similar contracts entered into by the Regents.
- iii) The pecuniary interest arises from the fact that University of Michigan employee Elisabeth R. Gerber is a stockholder and director of ViewPoint.

Elisabeth R. Gerber has met state law requirements with the disclosure of her pecuniary interest and formal appointment arrangements with the University of Michigan. Requirements, if any, that may be applicable by the supervisor of Elisabeth R. Gerber under the Medical School's or OVPR's Conflict of Interest Committee's procedures are separately analyzed and managed.

We recommend that the Board of Regents approve the contract between the University of Michigan and ViewPoint subject to requirements, if any, that the supervisor of Elisabeth R. Gerber or the Medical School's or OVPR's Conflict of Interest Committee may impose.

Respectfully submitted,

Geoffrey S. Chatas
Executive Vice President and Chief Financial Officer
